Announcements

Dear church,

I hope that this week's Christmas festivities period was an excellent one for you. I thank God for this past year and all that the Lord has done in our lives. As we face the New Year I trust that God will direct our church and our lives in a way that results in much blessing in our families and care groups overall. We face many challenges in order for us to grow and be established in our mission endeavor throughout Melbourne City and the world. Please pray for the church, the leadership and every member to be fully committed to our vision this New Year. Happy New Year to all!
