

Finding Strength in God

Better Future Series- Part3

Haggai 2:1-5

PsMark Rusic

1/ Deal with the root of Disappointment

We become fixed, convinced in our minds that the new can never be better(or as good) than the old!.....we stop trusting God

2/ Remember that God's work requires God's strength!

We will not be able to keep working unless we learn that God's work requires God!

Remove fear- God will never
leave you

We need to come to that place
where know God will never break
his promises/ his covenant
